CLASS DESCRIPTIONS

The goal of our Group Fitness Program is to provide you with professional instruction, a safe, effective, well balanced and fun workout. We offer a variety of classes that focus on cardiovascular conditioning, strength and flexibility training, and bodymind awareness. Many of our classes are geared for all levels of fitness and some are more appropriate for beginning, intermediate or the advanced exerciser. We encourage you to take a few minutes to read the following class descriptions so that you can get the most out of your workout and remain injury free. Always work out at your appropriate level of intensity/ability regardless of the level of class. Please note a minimum number of participants is required in order for a class to remain on the schedule.

Ask about our Online Fitness Tracking Program. Only \$25! No monthly fees.

Cardio/Strength

ABS ONLY – This 15 minute class focuses on firming and toning and defining the abdominal areas which plays an important role in maintaining good posture and a healthy back.

BOOT CAMP – Anything and everything goes in this interval workout. This high octane class will increase cardiovascular fitness, muscular endurance and coordination by incorporating boxing moves, basic calisthenics, jump rope, high/low aerobics and more! Intermediate and advanced.

BOSU SCULPT – Try the latest breakthrough in training using the Bosu balance trainer. Improve your core strength in this challenging class which will integrate the body's systems to work as a coordinated unit. All levels welcome.

BOXING 101 – This fun unique class combines all the basics of boxing; utilizing bag work, foot work, and focus mitts. Incorporating specific strength, cardio and core training while building endurance and burning fat. This class allows all levels of skill to use their differences to empower each other pushing forward continually while achieving your fitness goals. **Members should bring gloves.**

CARDIO CORE & STRENGTH – This 60 minute workout incorporates Low Impact, Strength and Core training intervals and drills. Bosu, Stability Balls, Hula Hoops and weighted balls are utilized in this challenging ever-changing class.

CARDIO INTERVAL/CIRCUIT – An innovative workout utilizing cardiovascular and strength training intervals. Cardio drills and resistance tools are used to improve muscular endurance, strength and greater aerobic capacity.

CORE MOTION (Created by Michael Carson) – Using weighted balls, Core Motion Workout focuses on drills, squats, crunches, twists, arm patterns and other creative motions. The weighted ball cranks up your heart rate resulting in greater calorie burn and muscle definition

CORE, STRENGTH & BALANCE – Develop balance and abdominal strength as you perform upper and lower body exercises, including plyometric and agility exercises. You will use your core (center of body) to maintain postural alignment and balance.

CYCLE – Start pedaling and let go as your instructor takes you on the cardio ride of your life! An exercise class on a stationary bike; perfect for all levels of fitness enthusiasts, recreational cyclists, or serious racer.

CYCLE CHALLENGE – An intense indoor cycling class with an emphasis on interval training, strength, agility and endurance. Suitable for all fitness levels.

CYCLE INTRO – A must for Beginners! Our Cycle Intro. will teach you the basic moves and cues. Special attention is given to form, technique and riding tips, as well as injury prevention and is geared to all levels of fitness. Class is held the first Saturday of each month.

ENDURANCE CYCLE – This class which focuses on teaching the body to release stored body fat to the muscles for fuel. Learn how endurance athletes burn fat more efficiently while becoming leaner, stronger and more fit.

GROUP FITNESS SAMPLER – Group Fitness Sampler is a welcoming introduction to our wonderful Group Fitness Program. Meet one of our fabulous instructors and they will take you through three classes in one hour. Taught on the second and third Saturday on the month.

HOOPS & STRENGTH – Have you Hula Hooped lately? This class utilizes Hula Hoops for a stronger, slimmer, more flexible waist and spine. Plate-loaded barbell system and rubber tubing are added for strength training. Stability balls and Bosu for core training. This class is challenging but lots of fun.

JUST STRENGTH – An intense class utilizing an innovative plate-loaded barbell system. Using traditional weight-training protocol, burn calories, increase lean muscle mass, and improve strength and endurance.

KICK BOXING – A 60 minute workout incorporating the basic fundamentals for authentic kickboxing and martial arts.

CARDIO KICK BOX – This class combines shadow box style kick boxing and muscle toning using continuous basic cardio moves and repetitions to keep you in your fat burning zone. This class is for all levels of fitness.

KICK BOX EXTREME – Not for the weak of heart, this class has elements of boot camp and cardio boxing to the extreme. **Members should bring gloves.**

SILVER SHAPE UP – This class geared toward the mature infrequent exerciser. It includes a short low intensity cardio portion with body sculpting using light weights. A slow stretch completes this workout.

SILVER SNEAKERS I CHAIR WORKOUT – Move through a variety of exercises designed to increase muscular strength, range of movement, and skills required during activities for daily living (ADLs). Hand-held weights, elastic tubing with handles, and a ball are offered for resistance; a chair is used for seated and/or standing support.

SILVER SNEAKERS II CARDIO CIRCUIT – Increase your cardiovascular and muscular endurance with a standing circuit workout. Upper body strength work with hand held weights, elastic tubing and a ball is alternated with non-impact aerobic choreography. A chair is offered for support, stretching and relaxation exercises.

STEP N' PUMP – This challenging class includes a step workout and a strength component utilizing weights, tubing, Bosu and Stability Balls. You will improve your cardio vascular endurance and muscular strength with this invigorating workout.

Dance

BELLY DANCE – Belly Dance is an excellent way to learn balance, coordination, improve posture and muscle-tone. Through isolated body movement, you will learn dance techniques and choreography. Wear comfortable workout clothing. No experience necessary.

CARDIO JAM – Gotta Move!! Gotta Dance!!! This low impact workout will improve your cardio endurance and teach you some of the latest moves!! Included in this workout is a short abdominal section after the cardio cool down.

HIP HOP – You won't want to miss this fresh and funky class featuring the latest Hip Hop sounds and street moves straight from your favorite Hip Hop video. The choreography will be broken down. All levels of dance welcome

LET'S DANCE – A different style of dance every 8 weeks. Choose from Afro-Brazilian, Hip Hop, Jazz, Latin, Show Girls, Ballet and more. Taught by Spectrum's favorite dance instructors.

LA TIN-VA – This class is an innovative style of aerobics which incorporates Latin-inspired dance steps as the foundation of a fun and exciting cardio workout. Let Johnny be your guide, and coach...as you exercise your mind, body and spirit. Set to lively, Latin-house music, you will be dancing- having fun and sweating like crazy as Johnny uses his unique style of teaching...body cues and hand signals...but no talking! Challenge your body. Challenge your mind. Intermediate to advanced.

ZUMBA – This Cardio Latin Dance class includes, Cha Cha, Merengue, Salsa and other latin styles. Start your week off with some fun. The steps are easy to learn.

Mind/Body

PILATES MAT – A total body workout that emphasizes strength, alignment by working through the bodies core. Using the exercises of Joseph Pilates, this workout enhances muscular balance, improves posture and body awareness.

YOGA – An ancient science of radiant health and fitness. It benefits the entire being from core to surface.

DYNAMIC FLOW – Is a type of Hatha yoga that emphasizes the Vinyasa which means sequence of poses. The flow of the positions builds heat, improves flexibility and strength and postural awareness.

HATHA YOGA – "Ha" means Sun and "Tha" means Moon, polar opposites. Hatha Yoga embraces the energies of the sun and the moon. This format of Yoga creates balance in all respects to those who practice it.

KUNDALINI FLOW – Kundalini Yoga is the name of a style of Hatha Yoga, originated by the Sikh master Yogi Bhajan. It's purpose is to awaken the inner power by means of postures, breath control and meditation.

YOGA CHALLENGE – Yoga is an ancient form of movement promoting balance, flexibility, strength and relaxation through various postures and breathing techniques. The perfect compliment to all forms of exercise.
